SHEPHARD'S GERIATRIC CARE

Adult and geriatric primary care

Referral partner overview

Refer adults ages 18 and older for primary care, with a special focus on older adults. We welcome referrals from healthcare professionals and community organizations.

Krystal Shephard, MSN, Ed, A-GNP-C

Adult-Geriatric Nurse Practitioner and Practice Owner

Care we provide

- Wellness visits and health assessments
- Management of chronic conditions
- Non-emergency acute illness visits
- Medication review and management
- Patient and family education
- Care coordination and specialist referrals

Home visits: Call to discuss the patient's needs, service location, and current availability.

How to refer

1. **Call the office**

   Call 567-228-2359 to discuss appointment availability and referral needs.

2. **Send the referral**

   Complete page 2 and fax it with relevant records to 419-287-8691 using your organization's approved process.

3. **Confirm next steps**

   Call to confirm receipt and scheduling arrangements. The office confirms appointments.

Coverage and access

Call to verify the patient's exact insurance plan, network participation, referral or authorization requirements, and any patient responsibility before scheduling.

Veterans are welcome. For VA-paid community care, confirm the required VA referral and authorization before scheduling.
